To whom it may concern:

I have worked with Mr. Mc Roy on an ongoing basis in reference to the NAVY Acute Care Project as well as utilizing his services as a Safety Consultant to my own firm. Mr. Mc Roy exhibited both knowledge of the safety management field as well as professionalism in his approach to developing safety procedures and resolving difficult engineering issues concerning safety applications.

I would recommend Mr. Mc Roy based for his dedication and ability in working in the safety field.

Sincerely;

A handwritten signature in cursive script that reads "Kenneth Wolfenden".
